### Automatic buttonhole foot with stabiliser plate

Uneven layers of fabric are no longer a problem. Simply attach Buttonhole Foot (R) into the Stabiliser Plate to ensure perfect buttonholes every time. Buttonhole Foot can be used without Stabiliser Plate.

### Easy set bobbin

Simply drop your bobbin into the bobbin area, guide the thread through the channel and you're ready to sew without the need to pull up your bobbin thread.

### User friendly LCD screen and 4 direct stitch keys, plus memory thread cut function key

4 direct stitches give you direct access to your everyday utility stitches. When selected the memory thread cut will automatically trim the threads after a stitch lock off.

### Large extension table

Standard accessory with machine, provides extra support for all your larger sewing projects.

### Foot pressure dial

Featuring 6 levels of pressure for all your sewing needs.

### Easy reference stitch chart

These 50 built-in stitches offer everyday utility, appliqué, heirloom, satin, decorative and buttonhole stitches.
